

Civil Engineer of the Year

The Kansas City Section of the American Society of Civil Engineers will recognize a “Civil Engineer of the Year” for 2016. This is an annual tradition to recognize the important contributions to our society that are provided by civil engineers. The selection will be based the candidate who best meets one or more of the following criteria:

- Exemplary professional conduct in a specific outstanding instance in 2016;
- Established reputation for professional service;
- Significant contribution toward improving the professional aspects of civil engineering education;
- Professional guidance of qualified young persons who would seek civil engineering as a career, or professional development of young civil engineers in the formative stages of their careers.

The Civil Engineer of the Year will be chosen based on information submitted. The selection committee may ask additional questions during the selection process, at the committee’s discretion, to clarify specific points or gather additional information.

Submittal Requirements:

- 1-2 pages in length on 8.5” x 11” paper, single sided ,
- Submitted in either electronic .pdf format or in hard copy.
- Submissions may be by email or hand delivery. A .pdf delivered on CD or other common storage medium is also acceptable.
- Include contact information for nominated Civil Engineer
- Include contact information for person nominating, if different.
- Include a description of how and why the Civil Engineer personifies one or more of the selection criteria.

The first three completed submittals will be eligible for a \$25 cash award. A plaque and cash honorarium will be awarded to honor the selected Engineer of the Year.

**Submittals will be accepted beginning January 9, 2017,
and shall be delivered prior to 4 PM on February 9, 2017 to:**
